MEMBERSHIP POLICY

R.O.A offers memberships to suit all clients, from the majestic Eagle Warriors to the casual Chasqi Warriors - R.O.A has something for everyone. Please read the membership policy carefully to choose the best membership for you.

Membership can be changed at any time, but please give R.O.A a minimum of 2 weeks notice to process the changes.

All clients, regardless of membership, are required to book into class. All classes are booked on a 'first in first serve' basis, as mentioned in the R.O.A Terms and Conditions.

EAGLE

Soar high in the air and join as an Eagle Warrior for unlimited access to all classes. Eagle Warriors have unlimited access to as many classes as they like on the schedule. This also applies to any future sessions added to the schedule. Our Majestic Warriors of the Air pay \$25.00* per week so they can take the fitness to the skies and beyond.

24hr cancellation policy does not apply, however, it is greatly appreciated if you cannot attend the class you are booked into, that you cancel your spot in order for another warrior to attend.

2 weeks notice for membership suspension (eg: going on holidays or unavailable to attend due to other commitments) or cancellation (no longer wanting to attend R.O.A) is required. Suspension can be anywhere from 1 week to 2 months.

CHASQI

Named after the Famous Chasqi Runners of Inca Peru, warriors on the Chasqi Membership have the freedom of being completely casual and booking into a class when they can find the time. They pay \$15.00* per class and there is no limit to how many classes they can attend per week. Access to all classes on the schedule. We know Chasqi's are busy running around so this is the perfect membership for those on the go.

24hr cancellation policy does apply, and the class(es) must be cancelled within the 24hr time frame otherwise the session will be charged. It is greatly appreciated if you cannot attend the class you are booked into that you cancel your spot in order for another warrior to attend.

* Prices as of 1st Oct 2019
